Welcome to PHP-Nuke!

Congratulations! You have now a web portal installed!. You can edit or change this message from the [Administration](#) page.

If you didn't use the Web Installer utility the best idea now is to create the Super User by clicking [HERE](#).

You can also create a user for you from the same page or just create it at [Your Account module](#). Please read carefully the README file, CREDITS file to see from where comes the things and remember that this is free software released under the GPL License (read COPYING file for details). Hope you enjoy this software. Please report any bug you find when one of this annoying things happens and I'll fix it for the next release.

If you like this software and want to make a contribution you can purchase the latest non-free version before it goes public. This can be done from [here](#) or if you prefer you can become a PHP-Nuke's Club Member by clicking [here](#) and obtain extra goodies for your system.

PHP-Nuke is an advanced and *intelligent* content management system designed and programmed with very hard work. PHP-Nuke has the biggest user's community in the world for this kind of application, thousands of people (users and programmers) are waiting for you to join this community at <http://phpnuke.org> where you can find thousands of modules/addons, themes, blocks, graphics, utilities and much more...

If you want to have written authorization to remove all visible copyright messages and any reference to PHP-Nuke, you can now acquire it by clicking [here](#), at the same time this will be a great support.

Thanks for your support and for selecting PHP-Nuke as you web site's code! Hope you can can enjoy this application as much as we enjoy developing it!
